¶50.7 PROVIDING FOR THE CONSIDERATION OF H.R. 2651

Ms. PRYCE, by direction of the Committee on Rules, called up the following resolution (H. Res. 418):

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into Committee of the Whole House on the state of the Union of consideration of the bill (H.R. 2641) to amend title 28, United States Code, to provide for appointment of United States marshals by the Director of the United States Marshals Service.

The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill. Each section of the committee amendment in the nature of a substitute shall be considered as read. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions.

SEC. 2. After passage of H.R. 2641, it shall be in order to take from the Speaker's table the bill S. 1338 and to consider the Senate bill in the House. It shall be in order to move to strike all after the enacting clause of the Senate bill and to insert in lieu thereof the provisions of H.R. 2641 as passed by the House. If the motion is adopted and the Senate bill, as amended, is passed, then it shall be in order to move that the House insist on its amendments to S. 1338 and request a conference with the Senate thereon.

When said resolution was considered.

After debate,

Ms. PRYCE moved the previous question on the resolution to its adoption or rejection.

The question being put, viva voce,

Will the House now order the previous question?

The SPEAKER pro tempore, Mr. GUTKNECHT, announced that the yeas had it.

MR. HALL of Ohio objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.
